

NISHIBORU FILTERS

西堀フィルター

No compromise.

OE competence
for Asian vehicles.

Qualità per ogni esigenza.

I filtri NISHIBORU sono appositamente progettati e sviluppati per garantire le migliori performance di filtrazione. Il programma filtrazione NISHIBORU comprende filtri aria, filtri olio, filtri carburante e filtri abitacolo, prodotti in stretta conformità OE e nel rispetto dei requisiti CE461/10.

Quality for every requirement.

NISHIBORU filters are specially designed and developed to ensure the best filtration performance. NISHIBORU filtration program includes air filters, oil filters, fuel filters and cabin air filters, manufactured in strict accordance to OE requirements and respecting the EC461/10.

Competenza OE per i principali produttori di veicoli asiatici.

OE competence for Asian vehicles.

I filtri preferiti in Asia.

I veicoli Asiatici rappresentano oggi uno tra i migliori standard globali per qualità e affidabilità. Con **NISHIBORU** garantisci loro performance di filtrazione in linea con gli standard richiesti.

I filtri **NISHIBORU** sono progettati in Asia, secondo le più alte specifiche OE richieste dai costruttori di veicoli Asiatici.

Ogni filtro **NISHIBORU** è il risultato di un rigoroso ciclo di sviluppo e test. Caratterizzato da formulazioni di materiali avanzati e design di prodotto specifici, **NISHIBORU** offre la combinazione ideale tra performance di filtrazione e affidabilità.

Investimenti in qualità e innovazione rendono **NISHIBORU** un importante fornitore di filtri per veicoli Asiatici di qualità OE, la scelta numero uno quando si vuole una sostituzione like-for-like.

Asia's favourite filters.

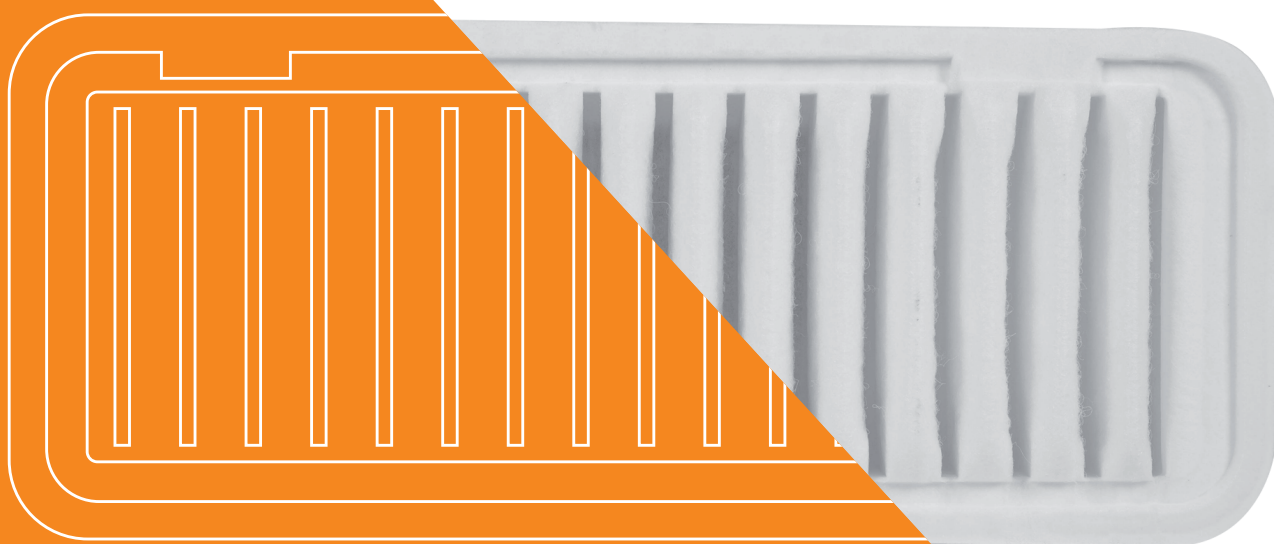

Asian vehicles set the global standard for quality and reliability. With **NISHIBORU**, you can enjoy the filtration to match.

NISHIBORU filters are engineered in Asia, to the highest OE specification demanded by Asian vehicle manufacturers.

Every **NISHIBORU** filter is the result of a rigorous development and testing cycle. Featuring advanced material formulations and unique product design, **NISHIBORU** delivers the ideal combination of filtration performance and reliability.

It's an investment in quality and innovation that makes **NISHIBORU** an important supplier of OE quality filters to Asian vehicles - and the number one choice when you want a like-for-like replacement.

Un altro punto di vista su prestazioni e qualità.

I filtri **NISHIBORU** sono prodotti con l'utilizzo di materiali conformi e specifici, nel rispetto degli standard richiesti dai costruttori di veicoli Asiatici e perfettamente intercambiabili con gli originali, perché di qualità OE equivalente.

- Performance di filtrazione - garantite dall'impiego di media filtranti caratterizzati da un'elevata efficienza di filtrazione, una perdita di carico controllata ed un'ampia capacità di accumulo degli inquinanti.
- Resistenza e flessibilità - garantite da componenti metallici, plastici ed espansi con ottime caratteristiche elastiche, di resistenza e di tenuta.
- Facilità di montaggio - garantita da un ottimo dimensionamento strutturale e da prove di installazione su convogliatori e contenitori OE.

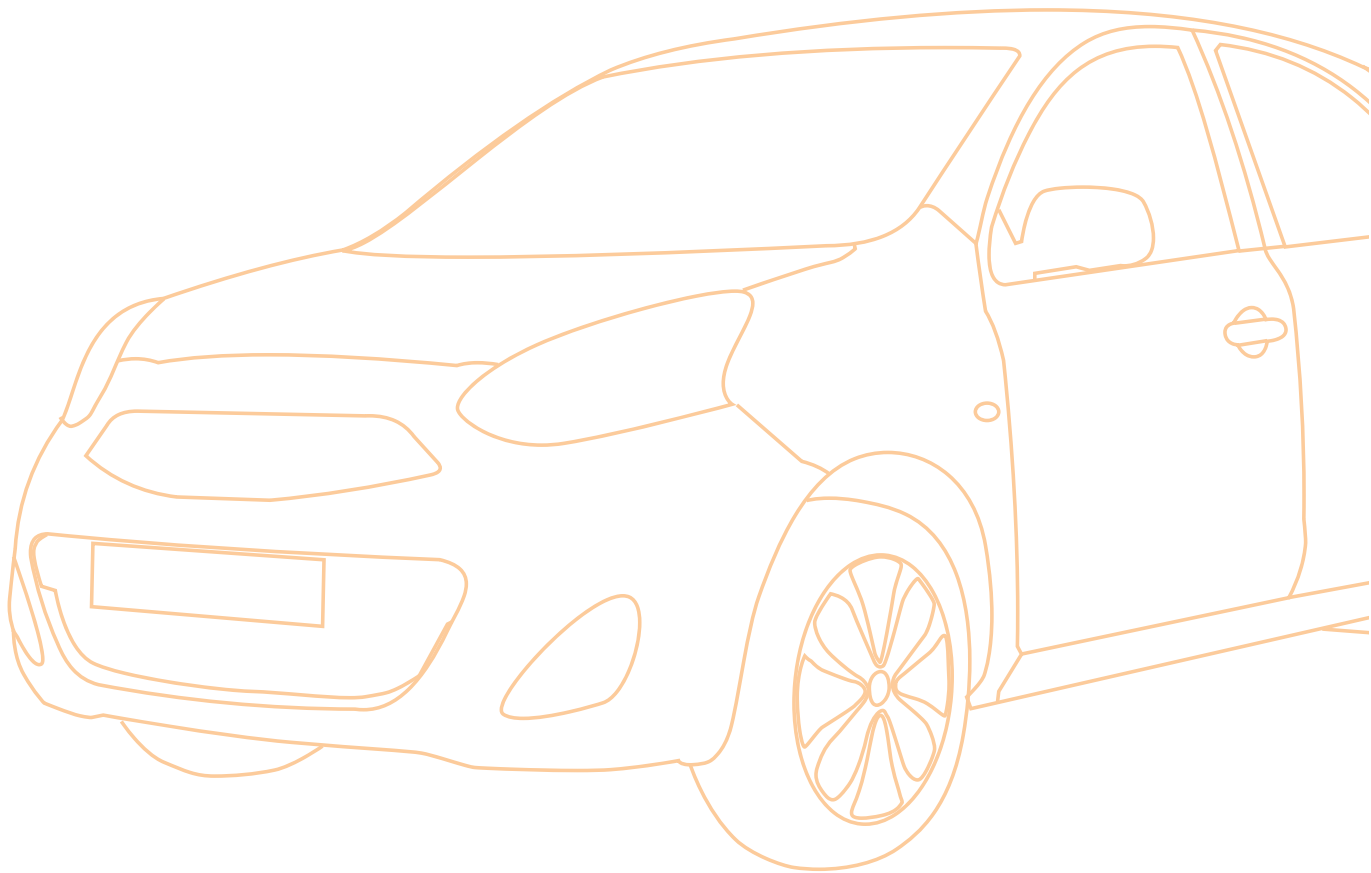

A different point of view on performance and quality.

NISHIBORU filters are produced with specific and conform materials, in accordance with the standards required by Asian vehicles manufacturers and perfectly interchangeable with the genuine filters, because of OE equivalent quality.

- Filtration performance - guaranteed by filter media with high filtration efficiency, a controlled loss of load and a wide pollutants accumulation capacity.
- Resistance and flexibility - guaranteed by metal, plastic and foam components with optimal elastic resistance and sealing characteristics.
- Easy fitting - guaranteed by an excellent structural sizing and installation tests on OE conveyors and containers.
